MEDICATION POLICY

Our goal at Center for Family Medicine is to provide you with the best treatment possible in a pleasant and caring manner. The following medication policy is intended for the safety of our patients and to limit the chance of drug interactions.

- Medications should be taken as prescribed.
- Patients should use one pharmacy for their medications and refills.
- The Center for Family Medicine is available to refill prescription medications Monday-Friday 8:00am-4:00pm. Patients should contact our office during these stated working hours at (903) 892-8398 extension #3. A detailed voice message of your call will be handled as quickly as possible.
- Please allow 48 business hours for all medication refills.
- Medications will not be filled on the weekend or after hours.
- If you fail to keep your follow up appointments, you may not be able to receive your medication refills.
- Failure to comply with this policy will result in delayed or denied medication refills.
- Center for Family Medicine does not prescribe long-term narcotic pain medications.

I certify this policy has been fully explained to me, that I have read it or had it read to me, and that I understand it.
